

Lista de medicamentos de salud mental de Care1st Health Plan Arizona

La lista de medicamentos de salud mental (BHDL, por sus siglas en inglés) de Care1st Health Plan Arizona incluye los medicamentos de salud mental que figuran en la Lista de medicamentos de AHCCCS. La BDHL aplica a los siguientes afiliados:

- Personas no conformes al Título 19 y al Título 21 con la designación «enfermedad mental grave» (SMI, por sus siglas en inglés).
- Niños y adolescentes no conformes al Título 19 ni al Título 21 con la designación de «trastorno emocional grave» (SED, por sus siglas en inglés).
- Afiliados conformes al Título 19 o al Título 21 que solo están inscritos en el plan de salud mental de Care1st Health Plan Arizona.

La BHDL no es una lista completa de todos los medicamentos que se utilizan en el tratamiento de la salud mental. Si necesita un medicamento que no se encuentre en la BHDL, puede pedir a su médico o farmacéutico que le envíe por fax una solicitud de autorización previa al 602-778-8387 o a través de una solicitud electrónica en:

<https://www.covermy meds.com/main/prior-authorization-forms/>.

También puede llamar al Servicio para afiliados de Care1st al 1-866-560-4042 (TTY/TDY 711) si tiene alguna pregunta sobre los medicamentos que no figuran en la BHDL.

La lista de medicamentos se actualiza con frecuencia y cambia durante el año. Si lo desea, puede consultar la última lista de medicamentos haciendo clic en el siguiente enlace:

Programa de farmacia

Care1st proporciona medicinas adecuadas, médicamente necesarias y económicas. Su plan cubre medicamentos con receta médica y ciertos medicamentos de venta libre (OTC) cuando son indicados por un médico. Algunos medicamentos requieren una aprobación previa (PA, por sus siglas en inglés) para que la farmacia pueda proporcionarle su medicación. Algunos medicamentos tienen límite de edad, posología o cantidad.

Care1st es un plan genérico obligatorio. Esto significa que los medicamentos genéricos tienen el mismo principio activo que los de marca. Por lo general, el medicamento genérico se le proporcionará en la farmacia, a menos que la BHDL indique específicamente que se prefiere el medicamento de marca. Si no hay un medicamento genérico disponible, puede haber más de un medicamento de marca que se pueda usar en su tratamiento. El Comité de Farmacia y Terapéutica (P&T, por sus siglas en inglés) de Care1st revisa con frecuencia la BHDL. Esta revisión se realiza para asegurar que se dispone de medicamentos clínicamente adecuados, médicamente necesarios y económicos para tratar sus problemas de salud mental.

Límites de dosis

Puede obtener hasta un suministro de treinta (30) días para la mayoría de los medicamentos. Puede obtener hasta un suministro de noventa (90) días si:

- El medicamento está prescrito para una enfermedad crónica
- Usted va a estar fuera del área de servicio durante un largo periodo de tiempo
- La receta médica está limitada al periodo de tiempo

El afiliado debe haber tomado un 85 % del suministro de 30 días antes de que se pueda reabastecer la receta médica para la mayoría de los medicamentos.

Autorización previa y otros límites

Algunos medicamentos que figuran en la BDHL pueden requerir autorización previa. Su médico o farmacéutico la solicitará para usted. Dicha autorización puede ser presentada por su médico o por el farmacéutico mediante el Formulario de autorización previa de medicamentos. Puede encontrar el formulario en el sitio web de Care1st en: <https://www.care1staz.com/az/providers/frequentlyusedforms.asp>.

También se puede enviar el formulario PA por fax al 602-778-8387 o electrónicamente a <https://www.covermy meds.com/main/prior-authorization-forms/>

Los medicamentos antipsicóticos y el litio en la lista de medicamentos requieren una autorización previa si no fueron recetados por un psiquiatra u otro especialista autorizado.

Si se aprueba la solicitud de autorización previa, Care1st se lo notificará a su médico enviándole por fax la carta de aprobación. Si la información clínica proporcionada no cumple con los criterios del medicamento solicitado, Care1st hará lo siguiente:

- Revisará la solicitud y los informará a usted y a su médico sobre nuestra decisión
- Le dará información sobre medicamentos alternativos, si estuviesen disponibles
- Proporcionará información sobre lo que puede hacer para apelar nuestra decisión si no está de acuerdo con ella.

Abreviación	Significado	Cómo funciona
AL	Límite de edad	Algunos medicamentos solo están cubiertos para ciertas edades.
F	Formulario	Estos medicamentos son preferentes en la lista de medicamentos de Care1st. Los medicamentos que no figuran en la lista requieren una autorización previa.
MP	Mantenimiento Producto	Estos medicamentos se utilizan para el tratamiento de afecciones o enfermedades a largo plazo.
NF	Fuera del formulario	Para que Care1st cubra estos medicamentos, deberá presentar una autorización aprobada.
PA	Autorización previa	Su médico debe solicitar la aprobación de la autorización previa a Care1st antes de la cobertura de algunos medicamentos.
QL	Límite de cantidad	Algunos medicamentos están limitados en la cantidad cubierta sin una autorización previa aprobada.
SP	Producto especial	Se utilizan para el tratamiento de afecciones complejas o raras como hepatitis C o artritis reumatoide.
ST	Terapia escalonada	En algunos casos, primero debe probar ciertos medicamentos antes de que Care1st cubra otro medicamento para su afección médica. Por ejemplo, si el Medicamento A y el Medicamento B tratan su afección médica, Care1st puede no cubrir el Medicamento B a menos que pruebe primero el Medicamento A.

Política de suministro de emergencia

En una situación de urgencia, la farmacia podrá dispensarle un suministro de hasta 4 días a cualquier afiliado que espera una determinación de PA. El propósito es evitar la interrupción del tratamiento o retrasos en el inicio del tratamiento. Las farmacias incluidas están autorizadas a proporcionar un suministro de hasta 4 días de medicamentos tradicionales (no especiales) para salud mental. Solicite a su farmacia que llame al Servicio de asistencia a farmacias al **1-877-817-0474** para obtener ayuda para reabastecer el suministro de emergencia de 4 días.

Exclusiones

La BDHL de Care1st no incluye ciertos medicamentos. Los siguientes tipos de medicamentos están excluidos de la cobertura. Tampoco están disponibles como suministro de emergencia de 4 días.

- Medicamentos que se consideran experimentales o de investigación
- Medicamentos de estudios de eficacia e implementación de medicamentos (DESI)
- Prótesis, aparatos y dispositivos
- Medicamentos para tratar afecciones de salud física
- Vitaminas y minerales orales o medicamentos de venta libre, con la excepción de los que figuran en la BHDH o si un afiliado tiene déficit de una vitamina que no figure en la BHDH siempre que esta trate una afección de salud mental.
- Suplementos nutricionales
- Marihuana médica
- Medicamentos elegibles para la cobertura de Medicare Parte D (para los afiliados de Medicare que cumplen los requisitos). Los copagos y el costos compartidos para medicamentos de salud mental están cubiertos para los afiliados con enfermedades mentales graves que también sean elegibles para Medicare.

Productos recién aprobados

Care1st Plan revisa los nuevos medicamentos para determinar su seguridad y efectividad antes de agregarlos a la BHDH. Durante este periodo, el acceso a estos medicamentos se considerará mediante el proceso de revisión de PA.
